To cover the cost of processing your cancellation and to compensate Action Heart for the risk that we may not be able to resell your accommodation and/or travel arrangements, Action Heart will make a cancellation charge. 8. **Late changes.** Be aware that ACTION HEART (AH) negotiate discounted rates on rooms, car parking etc. with special departments in each hotel. These departments have nothing whatsoever to do with Hotel Reception who have no facility nor any authority to modify bookings made between AH and the hotel agent that AH have to work through. All requests to change or to cancel any aspect of a booking made **MUST** be directed to AH – not the hotel concerned. ACTION HEART accept no responsibility for the outcome of any attempt by a client to negotiate directly with the hotel and will deem any such changes to be invalid and a breach of the original guest's contract with AH.
